

MCES is a 73 bed, nationally recognized, comprehensive behavioral health system specializing in crisis intervention, comprehensive assessment and short-time intensive psychiatric treatment. For more than 35 years MCES has been recognized as a leader in behavioral health treatment. MCES assists individuals and their families with focusing on recovery and relapse prevention.

MCES is seeking a Nurse Executive who possesses the leadership skills to manage the services provided by the Nursing Staff. The Nurse Executive is responsible for the following:

- Supervision of education and program development for the Nursing Department.
- Chairing the Performance Improvement Committee.
- Supervising the Infection Control Committee.
- Ensuring compliance with standards and assisting in the preparation for regulatory surveys.
- Maintaining effective functioning of the Nursing Department in collaboration with other departments.

Requirements for this position are: PA licensed Registered Nurse with Master's Degree in Nursing, Healthcare or Business fields. Must have direct supervisory/administrative experience in a clinical psychiatric setting.

We offer a positive team building work environment with a comprehensive employee benefit/compensation package. If interested please submit your resume via fax @ 610-279-0651 or by e-mail to [kmossop@mc.es.org](mailto:kmossop@mc.es.org).
